WEAVER MULTIMEDIA GROUP RELOCATES CORPORATE HEADQUARTERS

DENVER, CO—Travel publishing veteran of 20 years, Weaver Multimedia Group, recently relocated its corporate headquarters to the newly renovated Gates Rubber Company Plant, just south of downtown Denver. The building is part of the 85-acre reconstruction project expected to revitalize the South Broadway area with the addition of new retail establishments and commercial and residential developments.

The new 20,386 sq. ft. office space coupled with a central location and close proximity to light rail, provides Weaver's ninety employees with an easily accessible, state-of-the-art working environment.

Weaver Multimedia Group is the official publisher for fifteen major State Tourism Offices and Convention & Visitors Bureaus including Anaheim/O.C., Austin, Chicago, Colorado, Dallas, Las Vegas, Los Angeles, New Orleans, Pasadena, Philadelphia, San Francisco, San Jose, Seattle, Vancouver, B.C., and Wyoming.
